

OXTED HOCKEY CLUB

Health and Safety

Oxted Hockey club has a responsibility to safeguard its members and promote good practice by adopting the following guidelines.

- Check playing conditions, facilities and the environment are suitable for the player's activity.
- Make sure players are wearing correct clothing for the weather conditions and are adequately equipped.
- Ensure there is an up to date attendance register with player's medical records and emergency contact numbers available.
- Help prevent accidents by appropriate supervision and instruction.
- Ensure there is access to a mobile phone and first aid kit at all times.
- Be aware of the club's emergency procedures, accident report forms and child protection policy.
- To inform a committee member of any concerns.
